

INVADER ALERT—HAVE YOU SEEN THESE PLANTS?

Scotch broom and other brooms
(*Cytisus scoparius*)

Himalayan blackberry
(*Rubus discolor*)

Sweet pea
(*Lathyrus latifolius*)

Dyer's woad aka
Marlahan mustard
(*Isatis tinctoria*)

LET'S PULL TOGETHER!

To remove invasive weeds from Mount Shasta and make room for native plants

Saturday, April 16th 9am-1pm

Meet at Mt. Shasta City Park at 8:30 for sign-in
(breakfast snacks provided thanks to Rotary)

Bring sturdy gloves and tools!

Meet back at the park at 1 PM for lunch (bring your own)

Prizes will be awarded for biggest/gnarliest weeds removed

To sign up and get more info, email:
